

APRIL 2018

LEARNING ON WEDNESDAY

"Gems of the Ozarks"

The Ozarks region is filled with memorable places to visit and appreciate -- and has a history that makes it very special. Kaitlyn McConnell, founder of Ozarks Alive, will share several of the most unique sites and pieces of history that she's discovered while creating content for the site. Attend to learn more, and find new places to visit and explore throughout the area. Visit her website "Ozarks Alive" at www.ozarksalive.com
