LEARNING ON WEDNESDAY

"Taking the Plunge - Learn how to check out and read E-Books on your Kindle or tablet"

Everyone who loves reading seems to love the feel of a physical book, turning the pages as the plot is slowly revealed. But what if you could make any book a large print book? Or perhaps you want to listen to a book as you take a trip. Or maybe someone gave you a Kindle or tablet for Christmas and you want to try using it to read or listen to books.

Our digital collection contains thousands of titles in e-book and audio book format as well as a collection of 50 popular magazines that can be downloaded for free to any web-enabled device. Join Sharon Clarke, our very own e-book specialist, as she helps you unlock the secrets to accessing all the titles in our digital collection on Molib2go.org.

Bring your device with you and Sharon will help as many as possible connect to [Molib2go](http://Molib2go.org). If you have a Kindle, bring the Amazon ID and password that you used to register your Kindle. If you have an Apple device, bring your password to the Apple store.
