

SUMMER BULBS TO PLANT NOW

Wednesday, April 12, 10:00AM
Kimberling Area Library Community Room
45 Kimberling Blvd, Kimberling City

Although many favorite bulbs are planted in fall for spring bloom, there is another group of wonderful choices for the summer season. Master Gardener Kathryn Kufahl will discuss some lovely selections of hardy bulbs that can be planted now for colorful blooms later this season. From dahlia to crinum, there are loads of opportunities for Ozark gardeners.

Everyone is welcome for this free event, no registration required. Bring a friend and join the discussion.
